

USB 3.1 Gen 1

JetFlash[®] 790

The capless JetFlash 790 USB 3.1 Gen 1 Flash drive utilizes a retractable USB connector to shield your data while in transit - simply push at the colored slider to slide the connector out. The JetFlash 790 sports the USB 3.1 Gen 1 interface with up to 256GB capacity. This combination of blazing fast data transfer rates and substantial storage space make it easier than ever to store, carry and share all your digital files wherever you go.

Classic black and white design

Transcend's JetFlash 790 comes available in black and white - a classic color scheme that is always in style.

Retractable connector

Transcend's JetFlash 790 comes in a capless, retractable design that not only protects the device and its contents, but is compact and easy to carry around. Say goodbye to worries over losing that end cap!
